Fam   Mib

Fam          Mib
Blue jeans, White shirt
Sib
Walked into the room you know you made my eyes burn
             Fam          Mib
It was like, James Dean, for sure
Sib
You so fresh to death and sick as ca-cancer
Fam                       Mib
You were sorta punk rock, I grew up on hip hop
    Sib
But you fit me better than my favourite sweater, and I know
Fam                Mib
That love is mean, and love hurts
    Sib
But I still remember that day we met in December, oh baby!

Fam              Mib              Sib
I will love you till the end of time
 Sib                      Fam
I would wait a million years
Fam              Mib                  Sib
Promise you'll remember that you're mine
Sib
Baby can you see through the tears
Fam            Mib
Love you more, than those bitches before
Sib
Say you'll remember, oh baby, say you'll remember
Fam              Mib              Sib
I will love you till the end of time

Fam          Mib
Big dreams, Gangster
Sib
Said you had to leave to start your life over
             Fam          Mib
I was like: "No please", "Stay here"
Sib
"We don't need no money we can make it all work"
Fam                       Mib
But he headed out on Sunday, said he'd come home Monday
    Sib
I stayed up waiting, anticipating and pacing but he was
Fam                Mib
Chasing, Paper
    Sib
"Caught up in the game" that was the last I heard

Fam              Mib              Sib
I will love you till the end of time
Sib                    Fam
I would wait a milion years
Fam              Mib                  Sib
Promise you'll remember that you're mine
Sib
Baby can you see through the tears
Fam            Mib
Love you more, Than those bitches before
Sib
Say you'll remember, oh baby, say you'll remember
Fam              Mib              Sib
I will love you till the end of time

Fam
He went out every night, And baby that's alright
                                                          Mib
I told you that no matter what you did, I'd be by your side
 Mib
Cause I'm a ride or die, Whether you fail or fly,
 Mib
Well shit at least you tried.
                             Fam
But when you walked out that door, a piece of me died
Fam
I told you I wanted more, but that not what I had in mind
                     Mib
I just want it like before, We were dancing all night
 Mib
Then they took you away, - stole you out of my life
 Mib
You just need to remember...

Fam              Mib              Sib
I will love you till the end of time
Sib                     Fam
I would wait a milion years
Fam              Mib                   Sib
Promise you'll remember that you're mine
Sib
Baby can you see through the tears
Fam            Mib
Love you more, Than those bitches before
Sib
Say you'll remember, oh baby, say you'll remember
Fam              Mib              Sib
I will love you till the end of time
