

The one that got away - Katy Perry

Mi Si Do#m La
Mi
Summer after high school when we first met
Si
We make out in you mustang to radio head
Do#m La
And on my 18th birthday we bought matching tattoos
Mi
Used to steal your parent's liquor and climb to the roof
Si
Talk about our future like we had a clue
Do#m La
Never planned that one day I'd be losing you
Mi Si
In another life I would be your girl
Do#m La
We keep all our promises be us against the world
Mi Si
In another life I would make you stay
Do#m La
So I don't have to say you were the one that got away
The one that got away.
Mi
I was .. you were my johnny cash
Si
Never one without the other we made a pact
Do#m La
Sometimes when I miss you I put those records on...woe
Mi
Someone said you had your tattoo removed
Si
Saw you down town singing the blues
Do#m La
It's time to face the music I'm no longer your muse
Mi Si
But in another life I would be your girl
Do#m La
We keep all our promises be us against the world
Mi Si
In another life I would make you stay
Do#m La
So I don't have to say you were the one that got away
The one that got away.
Mi Si Do#m La
Si Do#m La
All his money can't buy me a time machine. no
Si Do#m La
Can't replace you with a million rings. no
Si Do#m La
I shoulda told you what you meant to me. woe
Si
Cause now I pay the price.
Mi Si
In another life I would be your girl
Do#m La
We keep all our promises be us against the world
Mi Si
In another life I would make you stay
Do#m La
So I don't have to say you were the one that got away
The one that got away.
