Born to die – Lana Del Rey

```
Do   Mim   Re   Do7+

Sol                   Re
Feet don't fail me now
Sol                      Re
Take me to the finish line
                  Do                            Mim
Oh, my heart, it breaks every step that I take
                         Re
But I'm hoping that the gates,

They'll tell me that you're mine
Sol                           Re
Walking through the city streets
Sol                       Re
Is it by mistake or design?
           Do                  Mim
I feel so alone on a Friday night
                             Re
Can you make it feel like home, if I tell you you're mine?
It's like I told you, honey

Do                Mim                  Re
  Don't make me sad, don't make me cry
                          Do
Sometimes love is not enough and the road gets tough
              Do
I don't know why
                Mim
Keep making me laugh,
               Re
Let's go get high
                               Do
The road is long, we carry on
                               Do
Try to have fun in the meantime
                                        Mim
Come and take a walk on the wild side
                                      Re
Let me kiss you hard in the pouring rain
                      Do7+
You like your girls insane
Do                    Mim
  Choose your last words
                   Re
This is the last time
                Do
'Cause you and I, we were born to die
Sol                   Re
Lost but now I am found
Sol                           Re
I can see but once I was blind
             Do                      Mim
I was so confused as a little child
                           Re
Tryna take what I could get

Scared that I couldn't find

All the answers, honey

Do                Mim                  Re
  Don't make me sad, don't make me cry
                          Do
Sometimes love is not enough and the road gets tough
