# *Crazy for you – Lana Del Rey (From Grand Theft Auto VI: The Album)*

```
Do Lam Do Lam

              Do                          Lam
Been getting high on my own in my Los Angeles home
       Mim
I feel bad about it
            Do                                  Lam
Got rid of all of my friends, I'm cutting all my loose ends
       Mim
I feel bad about it

             Fa
But I can't stop
       Sol
Loving you
    Mim       Fa
No, I can't stop
       Sol
Loving you

                 Do
I've gone crazy for you, crazy for you
      Lam
Crazy for you
                 Do
I've gone crazy for you, crazy for you
      Lam
Crazy for you

             Do                                  Lam
Well, I been thinking 'bout you, but I wake up next to him
       Mim
I feel bad about it
            Do                                  Lam
I feel like quitting my job, making this whole party end
       Mim
I feel bad about it

             Fa
But I can't stop
         Sol
Cutting loose
    Mim       Fa
No, I can't stop
         Sol
Cutting loose

                 Do
I've gone crazy for you, crazy for you
      Lam
Crazy for you
                 Do
I've gone crazy for you, crazy for you
      Lam
Crazy for you

          Fa              Lam          Mim
There are angels in the sky, who am I?
       Sol
Who am I?
          Fa                 Lam          Mim
There are violets in your eyes, lie-la-lie
       Sol
Lie-la-lie
