Doin time – Lana Del Rey

```
Solm  Do7  Solm  Do7

      Solm   Do7               Solm
Summertime, and the livin's easy
                 Do7                   Solm
Bradley's on the microphone with Ras MG
                       Do7
All the people in the dance will agree
     Solm                      Do7                Dom
That we're well-qualified to represent the L.B.C,
                             Re7
Me, me and Louie, we gonna run to the party
                                  N.C.
And dance to the rhythm, it gets harder

Solm        Do7                  Solm    Do7
Me and my girl, we got this relationship
Solm            Do7           Solm             Do7
I love her so bad, but she treats me like shit
Solm     Do7                      Solm  Do7
On lockdown, like a penitentiary
                 Solm
She spreads her lovin' all over
    Do7                                Solm       Do7
And when she gets home, there's none left for me

      Solm   Do7               Solm
Summertime, and the livin's easy
                  Do7                   Solm
Bradley's on the microphone with Ras MG
                       Do7
All the people in the dance will agree
     Solm                      Do7                Dom
That we're well-qualified to represent the L.B.C.
                             Re7
Me, me and Louie, we gonna run to the party
                                  Solm
And dance to the rhythm, it gets harder
          Do7    Solm      Do7
(Harder, yeah, harder, yeah)

Solm               Do7        Solm     Do7
   Oh, take this veil from off my eyes
Solm            Do7        Solm        Do7
   My burning sun will, some day, rise
    Solm                              Do7
So, what am I gonna be doin' for a while?
                Solm               Do7
Said, I'm gonna play with myself
Solm            Do7       Solm
Show them how we come off the shelf

     Solm    Do7               Solm
Summertime, and the livin's easy
                 Do7                   Solm
Bradley's on the microphone with Ras MG

Solm         Do7                            Solm         Do7
Evil, I've come to tell you that she's evil, most definitely
Solm    Do7                      Solm         Do7
Evil, ornery, scandalous and evil, most definitely
    Solm       Do7              Solm     Do7
The tension,    it's getting hotter
            Solm   Do7            Solm    Do7
I'd like to hold her head underwater
       Solm   Do7   Solm   Do7   Solm   Do7
(Summertime)
Solm     Do7
  (Ah, ah, ah)

      Solm   Do7               Solm
Summertime, and the livin's easy
