Lust for life – Lana Del Rey

```
Dom                                    Sib
Climb up the H of the Hollywood sign, yeah
                                              Lab
In these stolen moments, the world is mine (duwop, duwop)
                                       Sib
There's nobody here, just us together (shuwop, shuwop)

Keepin' me hot like July forever

Dom                                  Sib
'Cause we're the masters of our own fate
                                Lab
We're the captains of our own souls
                                Sib
There's no way for us to come away

'Cause boy we're gold, boy we're gold

And I was like...

Mib
Take off, take off

Take off all your clothes
Solm
Take off, take off

Take off all your clothes
Dom
Take off, take off
                     Sib
Take off all of your clothes
                   Mib
They say only the good die young
                 Solm
That just ain't right
                    Dom
'Cause we're having too much fun
               Sib
Too much fun tonight, yeah

               Lab
And a lust for life, and a lust for life
               Sib
And a lust for life, and a lust for life
         Dom
Keeps us alive, keeps us alive
         Dom
Keeps us alive, keeps us alive
               Lab
And a lust for life, and a lust for life
               Sib
And a lust for life, and a lust for life
         Dom
Keeps us alive, keeps us alive
         Dom
Keeps us alive, keeps us alive

Dom                                                Sib
Then, we dance on the H of the Hollywood sign, yeah
                                                      Lab
'Til we run out of breath, gotta dance 'til we die (duwop, duwop)
                                                   Sib
My boyfriend's back, and he's cooler than ever (shuwop, shuwop)
```

By TestoeAccordi.it

There's no more night, blue skies forever

Dom Sib
'Cause we're the masters of our own fate
Lab
We're the captains of our own souls
Sib
So there's no need for us to hesitate

We're all alone, let's take control

And I was like...

Mib
Take off, take off

Take off all your clothes
Solm
Take off, take off

Take off all your clothes
Dom
Take off, take off
Sib
Take off all of your clothes
Mib
They say only the good die young
Solm
That just ain't right
Dom
'Cause we're having too much fun
Sib
Too much fun tonight, yeah

Lab
And a lust for life, and a lust for life
Sib
And a lust for life, and a lust for life
Dom
Keeps us alive, keeps us alive
Dom
Keeps us alive, keeps us alive
Lab
And a lust for life, and a lust for life
Sib
And a lust for life, and a lust for life
Dom
Keeps us alive, keeps us alive
Dom
Keeps us alive, keeps us alive

Mib
My boyfriend's back, and he's cooler than ever
Solm
There's no more night, blue skies forever
Dom
I told you twice in our love letter
Sib
There's no stopping now, green lights forever
N.C.
And I was like...

Mib
Take off, take off

Take off all your clothes

```
Solm
Take off, take off

Take off all your clothes
Dom
Take off, take off
                      Sib
Take off all of your clothes

               Lab
And a lust for life, and a lust for life
               Sib
And a lust for life, and a lust for life
         Dom
Keeps us alive, keeps us alive
         Dom
Keeps us alive, keeps us alive
               Lab
And a lust for life, and a lust for life
               Sib
And a lust for life, and a lust for life
         Dom
Keeps us alive, keeps us alive
         Dom
Keeps us alive, keeps us alive
```
