Summertime sadness – Lana Del Rey

```
La Do#m Si Fa#m
La Do#m Si Fa#m

La                        Do#m
Kiss me hard before you go
Si               Fa#m
Summertime sadness
La                      Do#m
I just wanted you to know
     Si                 Fa#m
That baby you're the best

         La               Do#m
I got my red dress on tonight
               Si                      Fa#m
Dancing in the dark in the pale moonlight
                La                        Do#m
Done my hair up real big beauty queen style
            Si                  Fa#m
High heels off, I'm feeling alive

La             Do#m
Oh, my God, I feel it in the air
          Si                Fa#m
Telephone wires above are sizzlin' like a snare
      La              Do#m
Honey I'm on fire, I feel it everywhere
        Si              Fa#m
Nothing scares me anymore

La                        Do#m
Kiss me hard before you go
Si               Fa#m
Summertime sadness
La                      Do#m
I just wanted you to know
     Si                 Fa#m
That baby you're the best

La                         Do#m
  I got that summertime, summertime sadness
Si                   Fa#m
  S-s-summertime, summertime sadness
La                       Do#m
  Got that summertime, summertime sadness
Si               Fa#m
Oh, oh oh oh oh oh

            La           Do#m
I'm feelin' electric tonight
                  Si                   Fa#m
Cruising down the coast goin' 'bout 99
           La                     Do#m
Got my bad baby by my heavenly side
              Si                    Fa#m
I know if I go, I'll die happy tonight

La             Do#m
Oh, my God, I feel it in the air
          Si                Fa#m
Telephone wires above are sizzlin' like a snare
      La              Do#m
Honey I'm on fire, I feel it everywhere
        Si              Fa#m
Nothing scares me anymore
