Gracie Abrams - That's so true

Capo 1 Tasto

```
Fa sus2
 I could go and read your mind
Fa sus2                                  Lam7
 Think about your dumb face all the time
                                      Sol
Living in your glass house, I'm outside, uh
Fa sus2
 Looking in her big blue eyes
Fa sus2                                  Lam7
 Did it just to hurt me, make me cry
                                             Sol
Smiling through it all, yeah, that's my life

          Fa sus2          Fa sus2
You're an idiot, now I'm sure
        Lam7                Sol  N.C.
Now I'm positive, I should go  and warn her

Fa sus2
Ooh-ooh-ooh-ooh-ooh
Fa sus2                            Lam7
Bet you're thinking "She's so cool"
        Sol                                                  Fa sus2
Kicking back on your couch, making eyes from across the room
Fa sus2                            Lam7      Sol
Wait, I think I've been there too, ooh-ooh

Fa sus2
 What'd she do to get you off? (Uh-huh)
Fa sus2                                  Lam7
 Taking down her hair like, oh my God
                                     Sol
Taking off your shirt, I did that once or twice
Fa sus2
Uh, no, I know and I'll fuck off
Fa sus2                                  Lam7
 But I think I like her, she's so fun
                                     Sol
Wait, I think I hate her, I'm not that evolved

                Fa sus2                Fa sus2
I'm sorry she's missing it, sad, sad boy
       Lam7             Sol  N.C.
Not my business, but I had  to warn you

Fa sus2
Ooh-ooh-ooh-ooh-ooh
Fa sus2                            Lam7
Bet you're thinking "She's so cool"
        Sol                                                  Fa sus2
Kicking back on your couch, making eyes from across the room
Fa sus2                            Lam7      Sol
Wait, I think I've been there too, ooh-ooh
Fa sus2
Ooh-ooh-ooh-ooh-ooh
    Fa sus2                        Lam7
You got me thinking "She's so cool"
      Sol                                      Fa sus2
But I know what I know and you're just another dude
Fa sus2          Lam7       Sol
Ooh, that's so true, ooh-ooh

             Fa sus2
Made it out alive but I think I lost it
                 Lam7
Said that I was fine, said it from my coffin
               Do
Remember how I died when you started walking?
          Sol
That's my life, that's my life
              Fa sus2
I'll put up a fight, taking out my earrings
                   Lam7
Don't you know the vibe? Don't you know the feeling?
                     Do
You should spend the night, catch me on your ceiling
            Sol
That's your prize, that's your prize

      Fa sus2
Well, mm-mm-mm-mm-mm
Fa sus2                          Lam7
Bet you're thinking "She's so cool"
        Sol                                                Fa sus2
Kicking back on your couch, making eyes from across the room
Fa sus2                          Lam7      Sol
Wait, I think I've been there too, ooh-ooh
    Fa sus2
Oh, ooh-ooh-ooh-ooh-ooh
    Fa sus2                      Lam7
You got me thinking "She's so cool"
       Sol                                       Fa sus2
But I know what I know and you're just another dude
Fa sus2          Lam7       Sol
Ooh, that's so true, ooh-ooh, ooh-ooh, oh
