Fa#m
Down on the West Coast, they got a sayin'

If you're not drinkin', then you're not playin'
    Mi
But you've got the music
                          Re             ( Mi )
You've got the music in you, don't you?

Fa#m
Down on the West Coast, I get this feeling like

It all could happen, that's why I'm leaving
 Mi
You for the moment
                         Re
You for the moment, Boy Blue, yeah you

               Fa#m
You're fallin' hard, I push away, I'm feelin' hot to the touch
               Mi
You say you'll miss me and I wanna say I'll miss you so much
             Re                          Mi
But something keeps me real quiet, I'm alive, I'm a lush
      Fa#m       Mi          Re
Your love, your love, your love

Sim               Re
I can see my baby swingin'
Fa#m                     Mi                        Sim
His Parliament's on fire and his hands are up
          Mi
On the balcony and I'm singing
Fa#m         Mi         Re     Sim
Ooh baby, ooh baby, I'm in love
Sim               Re
I can see my sweet boy swayin'
Fa#m             Mi                      Sim
He's crazy y Cubano como yo my love
           Mi
On the balcony and I'm saying
Fa#m           Mi          Re     Sim
Move baby, move baby, I'm in love
Fa#m
I'm in love...

Fa#m
Down on the West Coast, they got their icons

Their silver starlets, their Queens of Saigons
     Mi
And you've got the music
                          Re             ( Mi )
You've got the music in you, don't you?
Fa#m
Down on the West Coast, they love their movies

Their golden gods and rock 'n' roll groupies
     Mi
And you've got the music
                          Re
You've got the music in you, don't you?
