Gloria Gaynor – Never can say goodbye

```
Fa7+ Fa7+   Mim7 Rem7  Fa/Sol Do

Fa7+                Fa/Sol
 I never can say goodbye, no, no, no, I ...
Fa7+                Fa/Sol   Sol
 I never can say goodbye

      Do7+
Every time I think I've had enough
          Dom7
And start heading for the door
          Do7+
There's a very strange vibration
         Dom7
Piercing me right to the core

         Do7+
It says "Turn around you fool
             Solm7               Do7
You know you love him more and more."
        Fa7+  Mim7 Rem7
Tell me why is it  so?
Fa/Sol                [ Do ]
 Don't wanna let you go!

Do                        Dom7         Re/Do
    I never can say goodbye boy, uh baby
  Reb/Do              Do
I never can say goodbye, no, no, no, hey

Fa7+           Fa/Sol
 I never can say goodbye, no, no, no, I ...
Fa7+                Fa/Sol   Sol
 I never can say goodbye

       Do7+
I keep thinking that our problems
         Dom7
Soon are all gonna work out
                 Do7+
But there's that same unhappy feeling
             Dom7
There's that anguish, there's that doubt

          Do7+
It's that same old dizzy hang-up
           Solm7             Do7
I can't do with you or without
        Fa7+  Mim7 Rem7
Tell me why is it  so?
  Fa/Sol               [ Do ]
I don't wanna let you go!

Do                        Dom7         Re/Do
    I never can say goodbye boy, uh baby
  Reb/Do              Do
I never can say goodbye, no, no, no, uh

Do                          Dom7         Re/Do
 Hey, I never can say goodbye boy, uh baby
  Reb/Do              Do
I never can say goodbye, no, no, no, no, no, no
