Jess Glynne – Don't be so hard on yourself

```
Sol
I came here with a broken heart that no one else could see
Sim                    Re
I drew a smile on my face to paper over me
Sol
The wounds heal and tears dry and cracks they don't show
Sim                                 Re
So don't be so hard on yourself, no
Sol
Let's go back to simplicity

I feel like I've been missing me
Sim
Was not who I'm supposed to be
Re
I felt this darkness over me
Sol
We all get there eventually

I never knew where I belonged
Sim
But I was right and you were wrong

Been telling myself all along

Sol                               Mim
Don't be so hard on yourself, no
Sim                              La
Learn to forgive, learn to let go
Sol                            Mim
Everyone trips, everyone falls
Sim                                 Re
So don't be so hard on yourself, no
Sol                               Mim
'Cause I'm just tired of marching on my own
Sim                              La
Kind of frail, I feel it in my bones
Sol                            Mim
Won't let my heart, my heart turn into stone
Sim                                 Re
So don't be so hard on yourself, no

Sol
I'm standin' on top of the world, right where I wanna be
Sim                    Re
So how can this dark cloud keep raining over me
Sol
But hearts break and hells a place that everyone knows
Sim                                 Re
So don't be so hard on yourself, no

Mim
Oh, oh, oh, I
Sim
I learned to wave goodbye
Re
How not to see my life
La
Through someone else's eyes
Mim
It's not an easy road
Sim
But now I'm not alone
Re                     La
So I, I won't be so hard on myself no more
```
