Lukas Graham – Love someone

```
Do                      Mim
There are days
                  Lam
I wake up and I pinch myself
                        Fa
You're with me, not someone else
Do                                  Mim
And I am scared, yeah, I'm still scared
          Lam    Fa
That it's all a dream

Fa                        Sol       Lam         Fa
  'Cause you still look perfect as days go by
         Sol           Lam          Fa
Even the worst ones, you make me smile
             Sol         Lam         Do/Mi Fa Sol4    Sol
I'd stop the world if it gave us time

                 Fa           Sol
'Cause when you love someone
    Do             Lam
You open up your heart
         Fa           Sol
When you love someone
          Lam
You make room
       Fa           Sol
If you love someone
            Do             Lam
And you're not afraid to lose them
                        Fa         Sol          Lam
You'll probably never love someone like I do
                        Fa         Sol        Lam   Fa
You'll probably never love someone like I do   uhh  uhh

Do                Mim
When you say
                    Lam
You love the way I make you feel
          Fa
Everything becomes so real
Do                                Mim
Don't be scared, no, don't be scared
               Lam   Fa
'Cause you're all I need

Fa                     Sol       Lam         Fa
  And you still look perfect as days go by
         Sol           Lam          Fa
Even the worst ones, you make me smile
             Sol         Lam         Do/Mi Fa Sol4    Sol
I'd stop the world if it gave us time

                  Fa             Sol
'Cause when you love someone
    Do             Lam
You open up your heart
          Fa            Sol
When you love someone
          Lam
You make room
        Fa           Sol
If you love someone
            Do             Lam
And you're not afraid to lose them
```

```
                        Fa          Sol         Lam
You'll probably never love someone like I do
                        Fa          Sol         Lam    Fa
You'll probably never love someone like I do    uhh   uhh

Rem            Sol
All my life
                   Do
I thought it'd be hard to find
                     Lam
The one 'til I found you
               Rem      Sol
And I find it bittersweet
            Lam                     Rem
'Cause you gave me something to lose

               Fa               Sol
But when you love someone
     Do             Lam
You open up your heart
          Fa             Sol
When you love someone
          Lam
You make room
        Fa             Sol
If you love someone
            Do              Lam
And you're not afraid to lose them
                        Fa          Sol          Lam
You'll probably never love someone like I do
                        Fa          Sol          Lam
You'll probably never love someone like I do

                        Fa          Sol          Do
You'll probably never love someone like I do
```
