Fa#m    Mi Fa#m    Mi

Fa#m    Mi  Re  La Mi

 I will dedicate
                    Re
And sacrifice my everything for just a second's worth
                  Mi       Fa#m
Of how my story's ending
                                                      Re
And I wish I could know if the directions that I take

And all the choices that I make

won't end up all for nothing

Fa#m               Mi
 Show me what it's for
Fa#m           Mi    Re
 Make me understand it
          Mi               Re            Mi
I've been crawling in the dark looking for the answer
Fa#m                Mi  Fa#m
 Is there something more
                    Mi       Re
than what i've been handed?
          Mi               Re            Mi
I've been crawling in the dark looking for the answer

Fa#m           Mi  Fa#m
 Help me carry on
                Mi   Re
Assure me it's ok to use my heart and not my eyes
                 Mi         Fa#m
To navigate the darkness
                 Mi Fa#m                  Re
Will the ending be   ever coming suddenly?

Will I ever get to see the ending to my story?
