Hoobastank - Out of control

```
Mim   Mim9   Re9  La5

Mim             Mim9            Re9
 I've done everything as you say
                    La5                  Mim
I've followed your rules without question
                     Mim9               Re9  La5
I thought it'd would help me see things clearly
Mim                    Mim9
 But instead of helping me to see
Re9                  La5
 I look around and it's like I'm blinded
Mi5
 I'm spinning out of control
          Do5  Mi5
Out of control

I'm spinning out of control
          Fa5
Out of control

Mi5
 Where should I go?
Do5
 What should I do?
Sol5          Si5            Do5       Re5
 I don't understand what you want from me
Mi5
'Cause I don't know
Do5
 If I can trust you
Si5           Re5                        Mi5
 I don't understand what you want from me

Mim               Mim9
 I feel like I'm spinning out of control
Re9            La5                   Mim
 Try to focus but every thing's twisted
         Mim9                      Re9   La5
And all alone I thought you would be there
Mim        Mim9          Re9
 To let me know I'm not alone
                     La5           Mi5
But in fact that's exactly what I was

I'm spinning out of control
          Do5  Mi5
Out of control

I'm spinning out of control
          Fa5
Out of control

Mi5
 Where should I go?
Do5
 What should I do?
Sol5          Si5            Do5       Re5
 I don't understand what you want from me
Mi5
'Cause I don't know
Do5
 If I can trust you
Si5           Re5                   Mi5
 All of the things you've said to me
