

Over my head - Asaf Avidan

Sol

Mim Do Sol
I'm in over my head
Mim Do Sol
Dragged back from the dead
Mim Do Sol
How was I to know?
Mim Do Sol
Just a seedling in the snow

Sim Lam
Now I am trying
Sim Lam
To get you on the line
Sim Lam Re
'Cause baby I'm coming back home
Sol Do
And it's hard to believe,
Sol Do
but there's nobody leaving
Sim Lam Re
Please don't lock the door
Sol
'Cause baby I'm yours

Mim Do Sol
A shattered broken pile
Mim Do Sol
That could not reconcile
Mim Do Sol
Darkness stared at me
Mim Do Sol
A love spilled carelessly
Sim Lam
Then you turned on the light
Sim Lam
Like a moth in the night
Sim Lam Re
Baby I'm coming back home
Sol Do
And it's hard to believe,
Sol Do
but there's nobody leaving
Sim Lam Re
Please don't lock the door
Sol Do
And it's hard to believe,
Sol Do
but there's nobody leaving
Sim Lam Re
Please don't lock the door
Sol
baby I'm yours
