Chris Isaak - Wicked game

```
Sim  La  Mi    Sim  La  Mi

Sim  La  Mi    Sim  La  Mi

    Sim                  La                        Mi
The world was on fire and no one could save me but you
     Sim                      La                    Mi
It's strange what desire will make foolish people do
Sim                  La                    Mi
I never dreamed that I'd meet somebody like you
    Sim                   La                   Mi
And I never dreamed that I'd lose somebody like you

    Sim La                      Mi
No, I   don't want to fall in love

(this girl is only gonna break your heart)
    Sim La                      Mi
No, I   don't want to fall in love

(this girl is only gonna break your heart)
     Sim  La  Mi        Sim  La  Mi
With you,          with you

(this girl is only gonna break your heart)

Sim            La           Mi
 What a wicked game you play to make me feel this way
Sim            La          Mi
 What a wicked thing to do, to let me dream of you
Sim            La           Mi
 What a wicked thing to say, you never felt this way
Sim             La         Mi
 What a wicked thing to do, to make me dream of you

    Sim La               Mi
And I     wanna fall in love

(this girl is only gonna break your heart)
    Sim La                Mi
No, I      wanna fall in love

(this girl is only gonna break your heart)
     Sim  La  Mi    Sim  La  Mi
With you

Sim  La  Mi    Sim  La  Mi

    Sim               La                            Mi
The world was on fire and no one could save me but you
     Sim                      La                    Mi
It's strange what desire will make foolish people do
Sim                   La                Mi
I never dreamed that I'd love somebody like you
    Sim                   La                      Mi
And I never dreamed that I'd lose somebody like you,

    Sim La                Mi
No, I      wanna fall in love

(this girl is only gonna break your heart)
    Sim La                 Mi
No, I       wanna fall in love

(this girl is only gonna break your heart)
