Seal - Amazing

```
Re                                  Sim
 Everyone says you're amazing...

Sim                         Fa#m
Say you don't know how to do it now
       La    Mi
So you run
     Sim
It's not that you're bleeding,
           Fa#m
but you're through with it now
       La         Mi
So you run, so you run
  Sim                         Fa#m
I know that you need it, you can't live alone
       La         Mi
So you run, so you run

Re                      La
 Everyone says you're amazing
                Mi
now that you're clean
Re                  La                              Mi
 Only you know the real ones are cause you've seen
Re
 There's only one question
  La                Mi
I want to ask is it healing
         Re                           La
When you hear everyone say you're amazing
Mi
 Does anybody ask you

       Sim                             Fa#m
Do you cry in your sleep and do you feel ok
         La   Mi
When you run
Sim                               Fa#m
Thinking it's Doomsday you got to let it go
       La         Mi
So you run, so you run
Sim
Pretend you don't see it,
            Fa#m
that we can live a lie
       La    Mi
So you run,  ...so you run
