

Bastille - Laura Palmer

Mim
Walking out in to the dark, cutting out a different path,
Do Sol
lead by a beating heart
Mim
All the people of the town, cast their eyes right to the ground
Do Sol
in matters of the heart

Mim Re
The night was all you had
Do Sol
you ran into the night from all you had
Mim Re
Found yourself a path upon the ground
Do Sol
ran into the night you can't be found
Re Mim
This is your heart
Do Sol
can you feel it? can you feel it?
Re Mim
Pumps through your veins
Do Sol Mim
Can you feel it? can you feel it?

Mim
Summer evening breeze is blue, drawing voices deep from you
Do Sol
led by a beating heart
Mim
What a year and what a night, what terrifying final sights
Do Sol
Pull out your beating heart

Mim Re
The night was all you had
C G
you ran into the night from all you had
Mim Re
Found yourself a path upon the ground
C G
ran into the night you can't be found
Re Mim
This is your heart
Do Sol
can you feel it? can you feel it?
Re Mim
Pumps through your veins
Do Sol
Can you feel it? can you feel it?

Do Re Mim Re
If you had your gun would you shoot it at the sky?
Do Re Mim Re
Why To see where it would fall oh will you come down at all?
Do Re Mim Re
