Lam/Do  Mi  Lam/Do  Mi

Mi                  La
Talk to me now I'm older
     Fa#m                      Si
Your friend told you 'cause I told her
Mi                       La
Friday nights have been lonely
Fa#m                        Si
Change your plans and then phone me

Mi   Do#m Si Mi   Do#m Si

Mi   Do#m Si Mi   Do#m Si

Mi                    La
We could go and get 40s
Fa#m                Si
Fuck goin' to that party
   Mi                         La
Oh really, your folks are away now?
  Fa#m                      Si
Alright, let's go, you convinced me

Mi   Do#m Si Mi   Do#m Si

Mi   Do#m Si Mi   Do#m Si

Lam/Do       Mi
12:51 is the time my voice
          Lam/Do
Found the words i sought...
           Mi
Is it this stage I want?
    Lam/Do            Mi
The world is shutting out...for us
        Lam/Do
We were tense for sure,
           Mi
But we was confident...

Mi                    La
Kiss me now that I'm older
Fa#m               Si
I won't try to control you
Mi                       La
Friday nights have been lonely
Fa#m                    Si
Take it slow but don't warn me
Mi                    La
We'd go out and get 40s
Fa#m                   Si
Then we'd go to some party
   Mi                         La
Oh really, your folks are away now?
  Fa#m                Si
Alright I'm coming...
               Mi    Do#m Si
I'll be right there

Mi   Do#m Si

Mi   Do#m Si Mi   Do#m Si  Mi
