Things we lost in the fire – Bastille

```
Mim        Do           Re
Things we lost to the flames
Mim           Do     Lam   Re
Things we'll never see again
Mim       Do       Re
All that we've amassed
Mim     Do        Lam             Re
Sits before us, shattered into ash

Mim                      Re
  These are the things, the things we lost
Sim                           Do
  The things we lost in the fire fire fire
Mim                      Re
  These are the things, the things we lost
Sim                           Do
  The things we lost in the fire fire fire

Mim           Re
  We sat and made a list
   Sim                      Do
Of all the things that we have
Mim                   Re
  Down the backs of table tops
Sim                     Do
Ticket stubs and your diaries
Mim             Re
  I read them all one day
     Sim                   Do
When loneliness came and you were away
Mim                 Re
  Oh they told me nothing new,
      Sim                          Do
But I love to read the words you used

Mim                      Re
  These are the things, the things we lost
Sim                           Do
  The things we lost in the fire fire fire
Mim                      Re
  These are the things, the things we lost
Sim                           Do
  The things we lost in the fire fire fire

Mim  Do7+  Re9  Re
Mim  Do  Re  Re

Mim                  Re
I was the match and you were the rock
Sim                   Do
Maybe we started this fire
Mim        Re
  We sat apart and watched
Sim                        Do
All we had burned on the pyre

          Mim                     Re
(You said)   we were born with nothing
       Sim                          Do
And we sure as hell have nothing now
          Mim                     Re
(You said)   we were born with nothing
       Sim                          Do
And we sure as hell have nothing now

Mim                     Re
  These are the things, the things we lost
Sim                          Do
  The things we lost in the fire fire fire
Mim                     Re
  These are the things, the things we lost
Sim                          Do
  The things we lost in the fire fire fire

Lam          Fa                  Do                  Sol
Do you understand that we will never be the same again?
Lam          Fa                  Do                  Sol
Do you understand that we will never be the same again?
    Lam              Fa                 Do                  Sol
The future's in our hands and we will never be the same again
    Lam              Fa                 Do                  Sol
The future's in our hands and we will never be the same again

Mim                     Sim/Re
  These are the things,    the things we lost
Sim                           Do7+
  The things we lost in the fire fire fire
Mim                     Sim/Re
  These are the things,     the things we lost
Sim                           Do7+
  The things we lost in the fire fire fire
Mim                     Sim/Re
  These are the things, the things we lost
Sim                                    Do
  These are the things we lost in the fire fire fire

Mim  Do7+  Re9  Re
Mim  Do  Re  Re

Mim          Do          Re
Flames they licked the walls
Mim            Do              Lam        Re
Tenderly they turned to dust all that I adore
