```
Solm      Fa/La Fa Solm      Fa/La Fa

Sib      Sib9 Dom7 Dom6+    Dom7

Solm             Fa/La Fa Solm
 I can't escape it
                          Fa     Sib
I'm never gonna make it out of this in time
         Dom7   Dom6+
I guess that's just fine
Dom7    Solm             Fa/La
I'm not there quite yet
   Fa        Solm        Fa/La
My thoughts, such a mess
Fa     Sib
Like a little boy
     Dom7  Dom6+       Dom7 Solm
What you runnin' for?
               Fa/La Fa Solm
Run at the door

Anyone home?
     Fa Sib
Have I  lost it all?

                  Dom7
Struck me like a chord
             Fa
I'm an ugly boy
                 Sib
Holdin' out the night
              Mib
Lonely after light
                       Dom7
You begged me not to go
                 Fa
Sinkin' like a stone
                 Sib
Use me like an oar
                     Mib
And get yourself to shore

Solm               Fa/La Fa Solm
 A bang at the door

Anyone home?
Fa/La  Fa   Sib
That's just what they do
          Dom7     Dom6+
Right in front of you
Dom7   Solm        Fa/La
Like a cannonball
Fa       Solm             Fa/La
Slammin' through your wall
   Fa    Sib
In their face, I saw
              Dom7 Dom6+    Dom7 Solm
What they're figh-tin' for
                Fa/La Fa Solm
I can't escape it
                          Fa/La   Sib
I'm never gonna make it 'til the end, I guess

                  Dom7
Struck me like a chord

So many times before

Dom7      Fa      Sib      Mib

Dom7
Lying on the cold floor
Fa
I'll be waiting, yeah
         Sib
I'll be waiting from the other side
Mib
Waiting for the tide to rise
Dom7
Lying on the cold floor

I'll be waiting, yeah

I'll be waiting from the other side

Waiting for the tide to rise
