

A hard day's night - The Beatles

Sol Do Sol
It's been a hard day's night,
Fa Sol
and I've been workin' like a dog
Do Sol
It's been a hard day's night,
Fa Sol
and I should be sleepin' like a log
Do
But when I get home to you
Re
I find the things that you do
Sol Do Sol
They make me feel alright

Sol Do Sol
You know I work all day,
Fa Sol
to get you money, to buy you things
Do Sol
And it's worth it just to hear you say,
Fa Sol
you're gonna give me everything
Do
So why on earth should I moan,
Re
'cause when I get you alone
Sol Do Sol
you know I'll feel OK

Sim Mim Sim
When I'm home, everything seems to be right
Sol Mim Do
When I'm home, feeling you holding me tight,
Re
tight, yeah

Sol Do Sol
It's been a hard day's night,
Fa Sol
and I've been workin' like a dog
Do Sol
It's been a hard day's night,
