Mi5

Mi5  La5  Mi5  La5  Mi5  La5  Mi5  La5

Mi5
Everybody sees me,

But it's not that easy,

Standing in the light field,

Standing in the light field

Waiting for some action,

Waiting for some action

Oh but why won't you come over here?

Mim
Why won't you come over here?

We've got a city to love

Why won't you come over here?

We've got a city to love

Sib
Old time grudges
     Do
Will die so slowly
  Sib
I know you miss the
Do
way I saw you
       Sib
You're cold,
          Rem/La
You're so cold,
          Solm
You're so cold,
          Rem/Fa  Mim
You're so co---------ld

Mi5
 Nobody could see me,

everything's too easy,

standing in the light field,

standing in the light field

Waiting for some actress,

waiting for some actress to say

why won't you come over here?

Mim
Why won't you come over here?
We've got a city to love
Why won't you come over here?
We've got a city to love

          Rem/Fa  Rem
You're so co--------ldd
            Sib
