Rem

Solm   Rem/Fa                 Lam/Mi     Mi7
Sister, it feels like just yesterday,
Dom/Mib Fa6                   Do             Rem   Solm
Sister,  don't you forget my number, on the door
                               Rem/Fa
You've got something and it's so good to see,
Lam/Mi                      Mi7
 Something wonderful that I could not be
Dom/Mib            Fa6
 Everybody hanging on for their lives,
Do                                 Rem
 But you can't help them 'cos you don't have the time

Rem      Do             Solm                 Rem
 I know, everyone goes any damn place they like
            Do              Solm             Lam
I hope this goes over well, on the toxic radio Yeah

Fa         Sib/Re       Do          Fa
 You get taken all the time for a fool
Sib/Re       Do   Fa
I don't know why
           Sib/Re       Do      Fa
You're so gullible but I don't mind
Sib/Re         Do    Fa
That's not the problem
             Sib/Re      Do            Fa
And I don't need anyone with me right now
         Sib/Re        Do    Fa
Monday, Tuesday is my weekend
         Sib/Re      Do           Fa
You get taken for a fool all the time
Sib/Re       Do
I don't know why

Rem  Fa  Do  Solm  Sib  Fa  Do

Solm                              Rem/Fa
 Blame yourself for once, quit putting it on me,
Lam/Mi                        Mi7
 I can't help you 'cos I've seen what it means,
Dom/Mib                  Fa6
 It's so early I don't want to wake up
Do                        Rem
 We're so lucky 'cos we never grew up
Solm  Rem/Fa                Lam     Mi7
Mama,  it feels like just yesterday
Dom/Mib  Fa6                   Do
Mama,     don't you forget my number?
                         Rem
I don't want to be the one at the door

Rem      Do            Solm   Rem
 I know, everyone goes any damn place they choose
           Do             Solm    Rem
And I hope everyone well on the toxic radio
             Do       Solm        Rem
A tourist in the ghetto, not afraid of anything
                  Do
Except death and anything else
Solm                           Lam
that could maybe hurt the most Yeah
