Back for good - Take That

```
Fa  Solm7  Sib  Do4 Do

Fa  Solm7  Sib  Do4 Do

Fa  Solm7          Sib Do               Fa
 I guess now it's time   for me to give up
Solm7         Sib  Do Sib/Re Do/Mi
  I feel it's time
      Fa               Solm7
Got a picture of you beside me
         Sib                 Do             Fa
Got your lipstick mark still on your coffee cup
Solm7  Sib  Do4 Do

      Fa            Solm7
Got a fist of pure emotion
      Sib               Do
Got a head of shattered dreams
      Rem             Do6            Sib     Do4 Do
Gotta leave it, gotta leave it all behind now

   Fa               Solm7                Sib
Whatever I said, whatever I did I didn't mean it
       Do                Fa   Solm7  Sib  Do
I just want you back for good
   Fa                   Solm7                      Sib
Whenever I'm wrong just tell me the song and I'll sing it
          Do             Fa    Solm7  Sib  Do
You'll be right and understood...

Fa   Solm7         Sib  Do                  Fa
 Unaware but underlined  I figured out this story
Solm7       Sib  Do Sib/Re Do/Mi
 It wasn't good
          Fa           Solm7 Sib  Do
But in the corner of my mind
             Fa
I celebrated glory
Solm7      Sib        Do4 Do
  But that was not to be
       Fa            Solm7         Sib            Do
In the twist of separation you excelled at being free
          Rem           Do6             Sib  Do4 Do
Can't you find a little room inside for me

   Fa               Solm7                Sib
Whatever I said, whatever I did I didn't mean it
       Do                Fa   Solm7  Sib  Do
I just want you back for good...
   Fa                   Solm7                      Sib
Whenever I'm wrong just tell me the song and I'll sing it
          Do             Fa    Solm7  Sib  Do
You'll be right and understood...

Sib7+             Fa/La Sib7+            Fa9/La  Sib7+
 And we'll be together,   this time is forever
                       Fa9/La
We'll be fighting and forever we will be
      Rem          Do
So complete in our love
        Sib         Fa      Do
We will never be uncovered again

   Fa               Solm7                Sib
