Dreamers – Take That

```
     Sol                          Lam
When we first kissed, we were floating
     Rem                        Do
On a young love endless high
    Sol                       Lam
Got found and lost in the moment
           Rem                Do
Ain't that what it should be like?
   Sol              Lam
If loving me is a gamble
       Rem              Do
Do you wanna roll the dice?
     Sol                Lam
If I get to where I'm going
        Rem         Do           Sol
We'll arrive there just in time

                              Fa
So come on, babe, let's be dreamers
                                    Sol
'Cause when I'm dreaming, I'm dreaming for two
                 Fa
Yeah, I need a believer
                      Sol             Do
Babe, I can make a believer of you

             Sol                Lam
My guardian angel said, "Be careful"
              Rem                     Do
But who said dreaming was a crime?
     Sol              Lam
I've always been a flight risk
             Rem            Do
So come on, fly with me tonight
Sol                      Lam
Let's get out of this seaside town
      Rem           Do
We're going to the sky
      Sol       Mi7   Lam
So forgive me if I stumble
Sol      Rem     Fa       Do
On the way to paradise

                              Fa
So come on, babe, let's be dreamers
                                    Sol
'Cause when I'm dreaming, I'm dreaming for two
                 Fa
Yeah, I need a believer
                      Sol             Do
Babe, I can make a believer of you

                   Fa
What's the use in L.A., New York, Paris or Rome?
   Sol                                      Fa
If you're not there, I don't wanna go, I'm a dreamer
                         Sol
Don't make me dream it alone, dream it alone
Do       Fa
No, no, no
  Sol
Oh

   Sol    Mim     Lam
