

Yellow submarine - The Beatles

Capotasto al IV tasto tonalità originale Fa#

Re La Re
In the town where I was born
Mim Re La
Lived a man who sailed to sea
Re La Re
And he told us of his life
Mim Re La
In the land of submarines
Re La Re
So we sailed up to the sun
Mim Re La
Till we found the sea of green
Re La Re
And we lived beneath the waves
Mim Re La
In our yellow submarine

Re La
We all live in a yellow submarine
Re
Yellow submarine, yellow submarine
Re La
We all live in a yellow submarine
Re
Yellow submarine, yellow submarine
Re La Re
And our friends are all on board
Mim Re La
Many more of them live next door
Re La Re Re La
And the band begins to play

Re La
We all live in a yellow submarine
Re
Yellow submarine, yellow submarine
Re La
We all live in a yellow submarine
Re
Yellow submarine, yellow submarine

Re La Re
As we live a life of ease
Mim Re La
Everyone of us has all we need
Re La Re
Sky of blue and sea of green
Mim Re La
In our yellow submarine

Re La
We all live in a yellow submarine
Re
Yellow submarine, yellow submarine
Re La
We all live in a yellow submarine
Re
Yellow submarine, yellow submarine
