```
Rem  Lam  Sib  Solm

Rem                  Lam
Kings and Queens and Presidents
Sib          Solm
Ministers of Governments
Rem            Lam            Sib    Solm6+
Welcome to the future of your world
         Rem                      Lam
Through talking heads that took liberties
    Sib               Solm6+
The monkeys learnt to build machines
     Rem                  Lam
They think they'll get to heaven
            Sib Solm6+
through the universe
Sib6
 They say nothing
Rem/La
 Deny everything
Mi7/Sol#          Lam
 And make counter accusations
Sib6            Rem/La            Mi7/Sol#
 My friends, my dear, my love, my God
La7
There'll be trouble
          Rem                 Lam
when the kidz come out (come out)

There will be lots
            Sib          Solm
for them to talk about (about)
                            Rem
There'll be trouble when the kidz come out
          Lam
When the kidz come out,
          Sib
when the kidz come out
          Solm
When the kidz come out
     Rem
Hey, hey, hey, hey, hey
Lam
 What you looking at
Sib
Hey, hey, hey, hey
Solm
 You want a bit of that
Rem
Hey, hey, hey, hey
Lam                              Sib
 There will be trouble when the kidz come out
          Solm
When the kidz come out Hey
Rem            Lam
Mirror, mirror on the wall
Sib               Solm
Who's the fairest of them all?
    Rem                Lam         Sib    Solm
The Good, the Bad, the Ugly or the Beautiful
             Rem          Lam
Because it's up hill and against the wind
     Sib             Solm
With no-one there to let us in
