Love love - Take That

```
Rem    Do Solm      Rem    Do Solm

             Rem
You bring me right back down
                       Do       Solm
to the Earth from the promised land
              Rem
We're getting close to the center
                      Do     Solm
of the Earth with an honest plan
             Rem
You'll never be your mother
                       Do   Solm
or your father do you understand

Until you understand
   Fa                  Lam
We don't have too much time here
Do                    Rem
 And time it travels far too fast
      Fa               Lam
We're not to far we're too near
Do
 Before they take it from our hands

               Sib        Fa
Why don't you teach your heart
   Do
to fill and give your love love,
Sib            Fa           Do    Solm
give your love love give it all away
               Sib        Fa
Why don't you teach your heart
   Do
to talk and give your love love,
Solm
give your love love
Sib   Rem   Fa     Lam Rem    Do Solm7
Gimme gimme what I need

               Rem7
We'll take you right back down
                      Do     Solm7
to the Earth from the mother land
          Rem7
This is a first class journey
                    Do     Solm7
to the gods to the son of man
              Rem7
You're at the gates
                                 Do   Solm7
of human revolution don't you understand

Why don't you understand (Understand)
   Fa                  Lam
we don't have too much time here
Do                    Rem
 And time it travels far too fast
      Fa                Lam
We're not too far we're too near
Do
 Before they take it from our hands

               Sib        Fa
Why don't you teach your heart
