Never forget - Take That

```
La

             La7
We've come a long way
          La6                La
But we're not too sure where we've been
Mi/La La
Tu--dutu
            La/Mi      La
We've had success (tudutu),
               Mi/La      La
we've had good times (tudutu)
             La4
But remember this (tudutu)

La  Fa#m7    Re9  Mi          La  Fa#m7
Been on this path of life for so long
          Re9   Mi         La   Fa#m7
Feel I've walked a thousand miles
          Re9        Mi           La  Fa#m7
Sometimes strolled hand in hand with love
     Re9 Mi
Everybody's been there
     La        Fa#m7
With danger on my mind
        Re9   Mi          La  Fa#m7
I would stand on the line of hope
      Re9       Mi
And I knew I could make it
La          Fa#m7
Once I knew the boundaries
  Re9      Mi             La  Fa#m7
I looked into the clouds and saw
   Re9      Mi
My face in the moonlight
Re7+                          La9/Do#
 Just then I realized what a fool I could be
Sim7               Mi11
Just 'cause I look so high
          Fa#m7           La9 Re7+
you don't have to see me
                          La9/Do#
Finding a paradise wasn't easy but still
          Sim7       La/Do#
There's a road going down
          Re           Mi11
the other side of this hill

La  Re9  Fa#m7     Mi
Ne---ver forget where you've come here from
La9/Do# Re      Fa#m7            Mi
Ne----------ver pretend that it's all real
La/Do# Re        Fa#m7         Mi
Some----day soon this will all be
               La/Do#  Re
someone else's dream
             Fa#m7          Mi
This will be someone else's dream

La  Fa#m7     Re9      Mi                La  Fa#m7
Safe from the arms of disappointment for so long
          Re9    Mi        La  Fa#m7
Feel each day we've come too far
         Re9    Mi           La  Fa#m7
Yet each day seems to make much more

        Re9  Mi
Sure is good to be here
  Re7+
I understand the meaning
      La9/Do#                  Sim7 Mi11
of "I can't explain this feeling" now
       Fa#m11          La9
And it feels so unreal
   Re7+                          La9/Do#
At night I see the hand that reminds me
                     Sim7  La/Do#
of the stand that I made
    Re        Mi
The fact of reality (oh)

La  Re9  Fa#m7     Mi
Ne---ver forget where you've come here from
La9/Do# Re      Fa#m7            Mi
Ne----------ver pretend that it's all real
La/Do# Re        Fa#m7          Mi
Some----day soon this will all be
               La/Do#  Re
someone else's dream
             Fa#m7          Mi
This will be someone else's dream

La9
 We've come so far and we've reached so high
                       Re      Mi           La9
And we've looked each day and night in the eye

And we're still so young and we hope for more

But remember this
            Fa#m7    Re9       Mi          La
We're not invincible, we're not invincible, no
Fa#m7              Re9 Mi               La
 We're only people,       we're only people
Fa#m7           Re9  Mi            La      Fa#m7
Hey we're not invincible, we're not invincible
Re9 Mi
   So again I tell you

La  Re9  Fa#m7     Mi
Ne---ver forget where you've come here from
La9/Do# Re      Fa#m7            Mi
Ne----------ver pretend that it's all real
La/Do# Re        Fa#m7          Mi
Some----day soon this will all be
               La/Do# Re
someone else's dream
             Fa#m7          Mi
This will be someone else's dream
