Rule the world - Take That

```
    Sim        Fa#m       Mim     Fa#m
You light, the skies up above me
  Sim      Fa#m       Mim      Fa#m
A star, so bright you blind me
      Mim7       Sim
Don't close your eyes
            Fa#m
Don't fade away
            La
Don't fade away

Re                        Sim      Fa#m
 Yeah you and me we can ride on a star
                     Sol                    La    Re
If you stay with me girl, we can rule the world
                          Sim         Fa#m
Yeah you and me we can light up the sky
                   Sol                    La
If you stay by my side, we can rule the world

   Sim         Fa#m          Mim    Fa#m
If walls break down, I will comfort you
   Sim    Fa#m          Mim         Fa#m
If angels cry, oh I'll be there for you
       Mim7     Sim
You've saved my soul
               Fa#m
Don't leave me now
               La
Don't leave me now

Re                        Sim      Fa#m
 Yeah you and me we can ride on a star
                     Sol                    La    Re
If you stay with me girl, we can rule the world
                          Sim         Fa#m
Yeah you and me we can light up the sky
                   Sol                    La
If you stay by my side, we can rule the world

Re   Sim Fa#m  Sol  La

        Mim7
All the stars are coming out tonight
        Sol
They're lighting up the sky tonight
Re        La
  For you    For you
        Mim7
All the stars are coming out tonight
        Sol
They're lighting up the sky tonight
Re        La
  For you    For you

Re                        Sim      Fa#m
 Yeah you and me we can ride on a star
                     Sol                    La    Re
If you stay with me girl, we can rule the world
                          Sim         Fa#m
Yeah you and me we can light up the sky
                   Sol                    La
If you stay by my side, we can rule the world
        Re
All the stars are coming out tonight
```
