

Benson Boone - The time of my life

Capotasto al 1° tasto

Sol Mim Do Re Mm

Sol Mim
I am having the time of my life

Do
And I wish that you were still right here

Re Mim
I wish you came along

Sol Mim
You, why did you leave me so soon?

Do
Before all the flowers could bloom?

Re Sol
I wish you came along

Sol/Fa# Mim Si7
And now that every day is a party

Do
Every night's a nightmare

Dom
Wishing you came along

Sol Mim
Yes, I'm having the time of my life

Do
But something about it feels so off

Re Mim
I wish you came along

Sol Mim
If, if this is as good as it gets

Do
Then why is my head such a mess, dear?

Re Sol
Oh, why is it all so wrong?

Sol/Fa# Mim Si7
'Cause now that every day's a party

Do
Every night's a nightmare

Dom
I can't lay down my head
Without wishing you came along

Sol Mim
I am having the time of my life

Do
And I wish that you were still right here

Re Mim
I wish you came along

Do Re
And I'll be standing here like a stone

Mim
Waves are crashing down, years of passion

Do Re
How can the world keep moving on?

Mim Sol
I will never let myself move on

Mim
This isn't real life, this isn't over (Move on)
Do
This isn't real life, this isn't over, dear (Oh, oh)
It can't be over, dear
