When we were young – Take That

```
Sol
When we were young the world seemed so old
Mim
Careless and cold
                                  Do   Lam
We did what we were told in our lifes
               Re
When we were young
Sol
Had the world by the tail
Good would prevail
Mim
Starships at sail
                               Do     Lam
And none of us would fail in this life
                  Re
Not when you're young

Do                                          Sol
We were drawn to whoever could keep us together
        Mim                   Re
And bound by the heavens above
       Do                    Sol                        Re
And we tried to survive traveling at the speed of love

Do
Wo-ooh
             Sol
When we were young
            Mim           Re
When we adored the fabulous
Do
Wo-ooh
             Sol
When we were young
              Mim           Re
We were the foolish fearless
     Do                       Mim
Never knowing the cost of what we paid
            Sol               Re
Letting someone else be strong
     Do
Wo-ooh
Sol          Re     Sol
When we were young

Sol
In a moment of grace
A long leap of faith
    Mim                                 Do    Lam
The still more glorious dawn awaits my life
                     Re
I'm here with the lovers

Do
And we burned the bridges
Mim
We're crossing over
Sol                Re
Just to see the firelight
Do                         Sol                Re
And the innocent are getting over being old tonight

Do
Wo-ooh
```

```
             Sol
When we were young
                  Mim              Re
When everything was what it seemed
    Do
Wo-ooh
              Sol
When we were young
            Mim               Re
And every day was how we dreamed
      Do                      Sol                        Mim                Re
Never knowing the cost of what we paid letting someone else be strong
Do
Wo-ooh
     Sol    Re     Sol
When we were young

Do
And when you look at yourself tonight
Sol
Are you someone you recognize?
Do                                                    Re
You can take back what you've given away but it must be the last time

Do
Wo-ooh
               Sol    Mim  Re
When we were young

Do
Wo-ooh
               Sol   Mim
When we were young
               Re
When we were young

Do
Wo-ooh
             Sol
When we were young
             Mim          Re
When we adored the fabulous
Do
Wo-ooh
              Sol
When we were young
             Mim            Re
We were the foolish fearless
Do
Wo-ooh
             Sol
When we were young
  Mim                        Re
We didn't know it wouldn't last
Do
Wo-ooh
Sol          Re      Sol
When we were young
```
