Dom  Solm7  Dom  Mib  Fam7    Solm7
Dom  Solm7  Dom  Mib  Fam7    Solm7  Sol7
            Dom7
Your Honour please
Gotta believe what I say
            Fam7
What I will tell
                        Solm7
Happened just the other day
          Dom7
I must confess
'Cause I've had about enough
            Fam7
I need your help
                           Solm7
Gotta make this here thing stop
        Dom7
Baby I swear I'll tell the truth
              Fam7               Solm7
About all the things you used to do c'mon
            Dom7
And if you thought you had me fooled
                Fam7              Solm7
I'm telling you now, objection overruled, oh baby
Dom                      Solm
One for the money and the free rides
     Dom                     Solm
It's two for the lie that you denied
    Fam7      Solm7
All rise, all rise c'mon
Dom                           Solm
Three for the calls you've been making
     Dom                          Mib
It's four all the times you've been faking
    Fam7
All rise, I'm gonna tell it to your face
    Solm7   Sol7    Dom
All rise, I rest my case
              Dom7
You're on the stand
With your back against the wall
           Fam7
Nowhere to run
                    Solm7
And nobody you can call, oh no
             Dom7
I just can't wait
Now the case is open wide
              Fam7
You'll try to pray
                     Solm7
But the jury will decide
        Dom7
Baby I swear I'll tell the truth uh-huh
              Fam7               Solm7
About all the things you used to do
            Dom7
And if you thought you had me fooled c'mon
               Fam7          Solm7
I'm telling you objection overruled, oh baby
Dom                      Solm
One for the money and the free rides
     Dom                     Solm
It's two for the lie that you denied

All rise, all rise c'mon
Dom                            Solm
Three for the calls you've been making
     Dom                           Mib
It's four all the times you've been faking
    Fam7
All rise, I'm gonna tell it to your face
    Solm7   Sol7    Dom
All rise, I rest my case
   Dom
So step back 'cause you don't know this cat
I know deep down that you don't want me to react
         Fa5
I'll lay low, leavin' all my options open
      Sol5
The decision of the jury has not been spoken
           Dom
Step in my house, you find that your stuff is gone
But in reality, to whom does the stuff belong?
            Fa5
I bring you into court to preach my order
        Sol5
And you know that you
overstepped the border, uh-huh
Dom                       Solm
One for the money and the free rides
     Dom                      Solm
It's two for the lie that you denied
    Fam7      Solm7
All rise, all rise c'mon
Dom                            Solm
Three for the calls you've been making
     Dom                           Mib
It's four all the times you've been faking
    Fam7      Solm7
All rise, All rise...
Dom                       Solm
One for the money and the free rides
     Dom                      Solm
It's two for the lie that you denied
    Fam7      Solm7
All rise, all rise c'mon
Dom                            Solm
Three for the calls you've been making
     Dom                           Mib
It's four all the times you've been faking
    Fam7      Solm7
All rise, All rise...
Dom                       Solm
One for the money and the free rides
     Dom                      Solm
It's two for the lie that you denied
    Fam7      Solm7
All rise, all rise c'mon
Dom                            Solm
Three for the calls you've been making
     Dom                           Mib
It's four all the times you've been faking
    Fam7      Solm7
All rise, All rise...
  Sol7    Dom
I rest my case
