The Verve - Bitter sweet symphony

```
Mi  Sim7  Re9  La

Mi  Sim7  La7  La

            Mi    Sim7  La4   La
Cos' it's a bittersweet symphony
       Mi  Sim7  La4  La
that's life..
          Mi        Sim7          La4
Trying to make ends meet you're a slave
       La             Mi   Sim7  La4   La
to the money then you die.
              Mi       Sim7  La4
I'll take you down the only  road
     La   Mi        Sim7  La4  La
I've ever been down
             Mi       Sim7
You know the one that takes you
       La4          La
to the places where all the veins
Mi    Sim7  La4   La
meet yeah

Mi               Sim7
No change, I can change
      La4           La
I can change, I can change
        Mi          Sim7
But I'm here in my mould
     La4        La
I am here in my mould.
          Mi                 Sim7
But I'm a million different people
     La4            La
from one day to the next
               Mi         Sim7
I can't change   my mould no no
La4     La
no  no  no  no
Mi  Sim7  La4  La  Mi  Sim7  La4  La
no

          Mi    Sim7         La4
Well I've never prayed but tonight
    La    Mi          Sim7  La4  La
I'm on my knees yeah..
          Mi        Sim7        La4
I need to hear some sounds that recognize
    La      Mi   Sim7  La4  La
the pain in me yeah
          Mi     Sim7         La4        La
I let the melody shine let it cleanse my mind
       Mi    Sim7  La4  La
I feel free now
        Mi           Sim7              La4
but the airwaves are clean and there's nobody
La         Mi    Sim7  La4  La
singing to me now

Mi               Sim7
No change, I can change
      La4           La
I can change, I can change
        Mi         Sim7
But I'm here in my mould

     La4        La
I am here in my mould.
          Mi                Sim7
And I'm a million different people
     La4            La
from one day to the next
               Mi         Sim7
I can't change   my mould no  no
La4     La
no  no  no  no
              Mi
have you ever been down?
Sim7  La4  La  Mi  Sim7  La4  La
(I can't change it you know, I can't change it)

            Mi    Sim7  La4   La
