Blue - U make me wanna

```
Mim   Do9   Re   Sol 2v

Mim                 Do9
 To start it off, I know you know me
Re                          Sol           Sol/Fa#
 To come to think of it, it was only last week
      Mim    Do9      Re     Sol
That I had a dream about us, oh oh come on
Mim                       Do9
 That's why I'm here, I'm writing this song
Re
 To tell the truth,
                    Sol          Sol/Fa#
you know I've been hurting all along
Mim       Do9  Re               Sol  Re
 Some way let me know you want me, girl
               Mim7                   Do9
Every time you see me, what do you see?
                   Re
I feel like I'm a poor man
                     Sol
and you're the queen
    Sol/Fa#          Mim7                    Do9
Ooh baby, you're the only thing that I really need
              Re    Sol Re
Baby, that's why
    Mim7                           Do9
You make me wanna call you in the middle of the night
    Re                               Sol     Sol/Fa#
You make me wanna hold you 'til the morning light
    Mim7                     Do9
You make me wanna love, you make me wanna fall
    Re              Sol        Re
You make me wanna surrender my soul
  Mim7                          Do9
I know this is a feeling that I just can't fight
Re                              Sol   Sol/Fa#
You're the first and last thing on my mind
    Mim7                     Do9
You make me wanna love, you make me wanna fall
    Re            Sol          Re
You make me wanna surrender my soul
Mim               Do9
 Well I know that these feelings won't end
      Re                       Sol      Re/Fa#
And ah, they get stronger if I see you again, ah
Mim        Do            Re           Mim
 Baby, I'm tired of being friends, oh
                       Do9
I want to know if you feel the same
Re                               Sol     Re/Fa#
 And, could you tell me, do you feel my pain?
Mim    Do9       Re  Sol Re/Fa#
 Don't leave me in doubt,   baby
               Mim7                   Do9
Every time you see me, what do you see?
                   Re
I feel like I'm a poor man
                     Sol
and you're the queen
    Sol/Fa#          Mim7
Ooh baby, you're the only thing
                  Do9
that I really need
