INTRO: Fa#m Mi Re La Mi

Simona You're getting older
Re La
Your journey's been etched on your skin
Fa#m Mi
Simona Wish I had known that
Re Mi
We seemed so strong We've been there and gone
Fa#m
I would call you up every Saturday night
Mi
And we'd both stay out till the Morning light
Re La
And we sang "Here we go again"
Fa#m
And though time goes by I will always be
Mi Re La Mi
In a club with you In 1973 Singing "Here we go again"

Re La
So I could see clearly now The rain has gone
Fa#m Mi

Re Mi
My memory plays our tune The same old song

I would call you up every Saturday night
Mi
And we'd both stay out till the Morning light
