

Bonfire heart - James Blunt

Do Mim
Your mouth is a revolver firing bullets in the sky
Do Mim
Your love is like a soldier, loyal till you die
Fa Lam
And I've been looking at the stars for a long, long time
Do
I've been putting out fires all my life everybody wants a flame,
Sol
but they don't wanna get burnt and today is our turn
Do Lam Fa
Days like these lead to Nights like this lead to
Lam Sol
love like ours You light the spark in my bonfire heart
Do Lam
People like us, we don't
Fa
need that much, just some one that starts,
Lam Sol
Starts the spark in our bonfire hearts
Do Mim
This world is getting colder, strangers passing by
Do Mim
No one offers you a shoulder, no one looks you in the eye
Fa Lam
But I've been looking at you for a long, long time
Just trying to break through,
Do
trying to make you mine everybody wants a flame,
Sol
but they don't wanna get burnt well today is our turn
Do Lam Fa
Days like these lead to nights like this lead to
Lam Sol
love like ours You light the spark in my bonfire heart
Do Lam Fa
People like us, we don't need that much, just some one that starts,
Lam Sol
Starts the spark in our bonfire hearts
Sol Fa Lam
Our bonfire hearts Our bonfire hearts
Do Sol
Oh, our bonfire hearts you light the spark
Do Lam Fa
People like us, we don't need that much, just some one that starts,
Lam Sol
Starts the spark in our bonfire hearts
Do Lam
Days like these lead to
Fa
Nights like this lead to love like ours
Lam Sol
You light the spark in my bonfire heart

Do Lam Fa
