The Verve - Sonnet

```
Do  Mim  Lam  Fa9

Do  Mim  Lam  Fa

Do
my friend and me,
Mim
looking thru her
          Lam         Fa9
red box of memories
Do
Faded, I'm sure,
    Mim
but love seems to
            Lam      Fa9
stick in her things you know

Fa                        Sol
yes, there's love if you want it,
               Mim            Fa9
don't sound like a sonnet, my love
                          Sol
yes, there's love if you want it,
               Mim             Fa
don't sound like a sonnet, my love
Sol Fa
my  love

Do  Mim  Lam  Fa9

Do
why can't you see
     Mim
that nature has it's way
   Lam             Fa9
of warning me?
Do
eyes open wide,
Mim
looking at the heavens
       Lam        Fa9
with a tear in my eye

Fa                        Sol
yes, there's love if you want it,
               Mim            Fa
don't sound like a sonnet, my love
                          Sol
yes, there's love if you want it,
               Mim            Fa
don't sound like a sonnet, my love
Sol Fa
my  love
Sol
Sinking faster than a boat
        Fa
without a hull my love
Sol
dreaming about the day
               Fa               Sol
when i can see you here by my side...

Fa         Sol    Fa
  ...by my side

Fa          Sol
 Here we go again
              Mim
and my head it is gone
   Fa
my love
            Sol
I stop to say hello
                    Mim
because I think you should know
Sol Fa   Sol Fa
by  now, by  now
Sol Fa   Sol Fa
by  now, by  now
Sol Fa   Sol Fa
by  now, by  now
Sol Fa   Sol Fa
by  now, by  now
Sol Fa   Sol Fa
by  now, by  now...
