

Tastes like summer - James Blunt

Capotasto al 4° tasto

Lam Sol Fa Fa Sol

Lam Sol
Hey, it's just the two of us again

Fa
It's like I'm back in 2010

Sol
God, I remember this feeling

Lam Sol
Stay a little longer if you can

Fa
I know you need to get back

Sol Lam
But there's something unsaid in your eyes

Sol
'Cause they shine
Fa
Like the stars in the night

Lam Sol Fa
And your skin tastes like summer
Sol Lam Sol Fa
And I'm losing control
Sol Lam Sol Fa
Now the dark is exploding in your colours
Sol Lam Sol Fa
And I can't let go

Sol Lam
There's no saving us

Lam Sol Fa Fa Sol

Lam Sol
Lost, we're both so dangerously lost

Fa
Two bodies falling like a rock

Sol
Waiting for someone to find us

Lam Sol
Hold, hold me closer while you can

Fa
'Cause we're running out of chances

Sol Lam
I've been looking for the answers in your eyes

Sol
'Cause they shine
Fa
Like the stars in the night

Lam Sol Fa
And your skin tastes like summer
Sol Lam Sol Fa
And I'm losing control
Sol Lam Sol Fa
Now the dark is exploding in your colours
Sol Lam Sol Fa
And I can't let go

Sol Lam Sol Fa

There's no saving us
Sol Lam Sol Fa
And that's dangerous

Sol Lam Sol
I never want you to turn off the lights
Fa Sol
I never want you to close your eyes
Lam Sol
I only wanted to see you tonight
Rem
To say, to say, to say

Fa
That your skin tastes like summer
Sol Lam Sol Fa
And I'm losing control
Sol Lam Sol Fa
Now the dark is exploding in your colours
Sol Lam Sol Fa
And I can't let go

Sol Lam Sol Fa
There's no saving us
Sol Lam Sol Fa
And that's dangerous

Sol Lam Sol Fa
There's no saving us
Sol Lam Sol Rem
And that's dangerous
