

This is a low - Blur

Mim Fa#m Sol La Mi

Mi Sim La Do#m
And into the sea goes pretty England and me
Do Sim Mi
Around the Bay of Biscay and back for tea
Mi Sim
Hitting traffic on the dogger bank
La Do#m
Up the Thames to find a taxi rank
Do Sim Mi
Sail on by with the tide and go to sleep
(and the radio says...)

Mi Re Mi Lam Sim
This is a low...but it won't hurt you
Mi Re Mi Lam Sim
When you're alone...it will be there when you
Do Sim Mi
Finding ways to stay solo

Mi Sim
On the tyne, forth and cromarty
La Do#m
There's a low in the high 40's
Do Sim
(and) Saturday's locked away on the pier
Mi
Not fast enough dear
Mi Sim La Do#m
On the malin head, blackneel looks blue and red
Do Sim
And the queen, she's gone `round the bend
Mi
Jumped off Land's End

Mi Re Mi Lam Sim
This is a low...but it won't hurt you
Mi Re Mi Lam Sim
When you're alone...it will be there when you
Do Sim Mi
Finding ways to stay solo

Mi Sim La Do#m Do Sim Mi (x2)
Mi Fa#m Sol La

Mi Re Mi Lam Sim
This is a low...but it won't hurt you
Mi Re Mi Lam Sim
When you're alone...it will be there when you
Mi Re Mi Lam Sim
This is a low...but it won't hurt you
Mi Re Mi Lam Sim
When you're alone...it will be there when you
Do Sim Mi
Finding ways to stay solo
