

Under the westway - Blur

Do Mim Lam Mim
Fa Mim Rem Fa
Sol Lam Sol Fa
Fam

Do Mim Lam Mim
There were blue skies in my city today
Fa Mim Rem Fa
Ev'ry thing was sinking, said snow would come on Sunday
Sol Lam Sol Fa
The old school was due and the traffic grew
Fam
Up on the Westway

Do Mim Lam Mim
Where I stood watching comets on their lonesome trails
Fa Mim Rem Fa
Shining up above me the jet fuel it fell
Sol Lam Sol Fa
Down to Earth where the money always comes first
Fam
And the sirens sing

Do Mim Lam Mim
Fa Mim Rem Fa
Sol Lam Sol Fa
Fam

Do Mim Lam Mim
Bring us the day they switch off the machines
Fa Mim Rem Fa
'Cos men in yellow jackets, putting adverts inside my dreams
Sol Lam Sol Fa
An automated song and the whole world gone
Fam

Fallen under the spell of the
Do Mim Lam Mim
distance between us when we communicate
Fa Mim Rem Fa
Still picking up shortwave, somewhere they're out in space
Sol Lam Sol Fa
It depends how you're wired when the night's on fire
Fam
Under the Westway

Do Fa6 Lam Sol
Fa Mim Rem Lam Rem Fam

Do Mim Lam Mim
Now it's magic arrows hitting the bull
Fa Mim Rem Fa
Doing 180 still standing at last call
Sol Lam Sol Fa
When the flag's coming down, and the Last Post sounds
Fam
Just like a love song

Do Mim Lam Mim
For the way I feel about you
Fa Mim Rem Fa
Paradise not lost, it's in you
 Sol Mim Sol Fa
On a permanent basis I apologise
 Fam
But I am going to sing

Do Mim Lam Mim
 Hallelujah
Fa Mim Rem Fa
Sing it out loud and sing it to you
 Sol Lam Sol Fa
Am I lost out at sea, 'til a tide wash me
 Fam Do
Up off the Westway.
