Bôa - Duvet

```
                      Sol       Sim7/4
And you don't seem to understand
                      Mim       Sim7/4
A shame you seemed an honest man
                      Sol         Sim7/4
And all the fears you hold so dear
                     Mim        Sim7/4
Will turn to whisper in your ear
                                  Sol
And you know what they say might hurt you
                                Sim11
And you know that it means so much
                    Mim9        Sim7/4
And you don't even feel a thing

      Mim     Sim7 Sol
I am falling, I am fading
        Mim    Sim7 Sol
I have lost it all
