Michael Bublé - Cry me a River

```
Rem9                        Solm
Now, you say you're lonely
    Rem7/Fa                    La7
You cried the whole night through
               Rem/Fa
Well, you can cry me a river
Rem/La
Cry me a river
  Rem      La7          Rem
I cried a river over you

     Rem9                       Solm
And, now, you say you're sorry
    Rem7/Fa      La7
For being so untrue
               Rem
Well, you can cry me a river
Rem/La
Cry me a river
  Rem      La7          Rem
I cried a river over you

    Lam
You drove me
                  Si7
Nearly out of my head
Mi7
While you never shed a tear, babe
Lam
Remember?
                         Si7
I remember all that you said
                          Lam
You told me love was too plebeian
                                Mi7
Told me you were through with me

     Rem9
And, now, you say you love me
      Rem7/Fa                   La7
Well, just to prove that you do
               Rem
Why don't you cry me a river
Rem/La
Cry me a river
          Rem7     La7          Rem7
'Cause I cried a river over you

Rem
You say you love me, but you lie!

Mibm9
Now, you say you love me
      Mibm7/Solb                 Sib7
Well, just to prove that you do...
             Mibm
Come on and cry me a river
    Mibm/Sib
Oh, cry me a river
  Mibm     Sib7         Dom7
I cried a river over you
  Mibm     Sib7         Mibm
I cried a river over you
```
