Michael Bublé - Dream a little dream of Me

```
Lam Sol#m Solm Solm Lam Sol#m Solm Do

Fa       Lam             Solm    Do
Stars shining bright above you

Fa        Lam             Re        Re7
Night breezes seem to whisper I love you

Solm                      Sibm
Birds singing in the sycamore tree

Lam             Sol#m      Solm  Do
Dream a little dream of me

Fa    Lam              Solm    Do
Sing nighty night and kiss me

Fa    Lam                Re              Re7
Just hold me tight and tell me you'll miss me

Solm                  Sibm
While I'm alone and blue as can be

Lam             Sol#m   Solm Fa    Sib Do
Dream a little dream of me

Fa     Lam           Solm     Do
Stars fading but I linger on dear

Fa     Lam           Solm      Do
Still craving your kiss

Fa   Lam          Solm         Do
I'm longing to linger till dawn dear

Fa    Lam     Mi
Just saying this

Fa     Lam               Solm       Do
Sweet dreams till sunbeams find you

Fa     Lam                       Re           Re7
Sweet dreams that leave our worries behind you

Solm                    Sibm
But in your dreams, whatever they be

Lam             Sol#m   Solm Fa
Dream a little dream of me
