         Re           Sim7          Mi7
You're a falling star, You're the get away car.
           Sol            La7sus4      Re        La7
You're the line in the sand when I go too far.
           Re           Sim7       Mi7
You're the swimming pool, on an August day.
              Sol       La7sus4    Re    La7
And You're the perfect thing to say.

         Re         Sim7               Mi7
And you play it coy, but it's kinda cute.
             Solm7              La7sus4        Re        La7
Ah, When you smile at me you know exactly what you do.
       Re         Sim7               Mi7
Baby don't pretend, that you don't know it's true.
              Solm7            La7sus4   Re
Cause you can see it when I look at you.

            Sol  La  Re   Sim                    Sol La Re
And in this crazy life, and through these crazy times
     Re7         Sol        Fa#7      Sim La
It's you, it's you, you make me sing.
             Mi7                  Solm7          La7sus4 Re

You're a carousel, you're a wishing well,
        Sol            La7sus4    Re         La7
And you light me up, when you ring my bell.
         Re           Sim7              Mi7
You're a mystery, you're from outer space,
             Sol            La7sus4 Re      La7
You're every minute of my every day.

            Re       Sim7               Mi7
And I can't believe, uh that I'm your man,
      Solm7              La7sus4        Re        La7sus4
And I get to kiss you baby just because I can.
         Re           Sim7          Mi7
Whatever comes our way, ah we'll see it through,
         Solm7                 La7sus4     Re
And you know that's what our love can do.

            Sol  La  Re   Sim                    Sol La Re
And in this crazy life, and through these crazy times
