Michael Bublé - Holly Jolly Christmas

```
Do  Sol7  Do  Sol7

Do               Sol7     Lam
Have, a, holly, jolly, Christmas,
                           Do      Sol7
it's the best time, of the year,
                   Lam Do
Now I don't know, if there'll be snow
                     Fa   Sol7 Do
but I'll have a cup of cheer.

               Sol7     Lam
Have a holly, jolly, Christmas
                       Do        Sol7
and when you walk down the street,
           Lam Do
Say hello, to friends you know
            Fa   Sol7  Do
and everyone you meet.

Fa           Mim
Ho, ho, the mistletoe,
   Fa         Rem7   Fa       Do
it's hung where you can see,
Fa        Do     Lam
Somebody waits for you
      Sol7       Do    Fa   Do
'kiss her once for me.

               Sol7    Lam
Have a holly, jolly Christmas
                     Do      Sol7
and in case you didn't hear,
          Lam  Do
Oh, by golly, have a holly,
   Lam Do        Lam   Sol7   Do
jolly Christmas, this year.

Adlib (listen to mp4)

Fa           Mim
Ho, ho, the mistletoe
  Fa         Rem7   Fa       Do
it's hung where you can see,
Fa        Do     Lam
Somebody waits for you
      Sol7               Do   Fa   Do
'cause you're the one for me

               Sol7    Lam
Have a holly, jolly Christmas
                     Do      Sol7
and in case you didn't hear,
          Lam  Do
Oh, by golly, have a holly,
    Lam              Sol7   Do
jolly Christmas this year.
