Michael Bublé - It's a Beautiful Day

```
Do  Do  Sol   Sol7

Do            Sol                  Lam
I don't know why you think that you could hold me
          Fa                      Do
When you couldn't get by by yourself
                 Sol                      Lam                Fa
Do
And I don't know who would ever want to tear the seam of someone's dream
           Sol                               Lam
Baby, it's fine, you said that we should just be friends
            Fa                             Do
Well I came up with that line and I'm sure
                   Sol
That it's for the best
             Lam                     Fa
If you ever change your mind, don't hold your breath

       Lam           Mi     Mi7
'Cause you may not believe, mmmm
     Lam           Mi      Mi7
That baby, I'm relieved
        Fa                Sol
When you said goodbye, my whole world shined
Sol    Sol      Do
Hey hey hey!

Do                Sol                Lam               Sol
It's a beautiful day and I can't stop myself from smiling
          Fa                   Do
If we're drinking, then I'm buying
       Fa                Do   Sol   Do
And I know there's no denying
                  Sol               Lam               Sol
It's a beautiful day, the sun is up, the music's playing
         Fa              Do
And even if it started raining
           Fa                  Do
You won't hear this boy complaining
           Fa                     Mi7           Lam     Sol
'Cause I'm glad that you're the one that got away
                 Do
It's a beautiful day

Do               Sol                      Lam
It's my turn to fly, so girls, get in line
                    Fa                         Do
'Cause I'm easy, no playing this guy like a fool
        Sol                               Lam                Fa
Now I'm alright, you might've had me caged before, but not tonight

    Lam             Mi     Mi7
And you may not believe, mmmmm
     Lam            Mi    Mi7
That baby, I'm relieved
      Fa               Sol
This fire inside, it burns too bright
                Fa                                Sol            Do
I don't want to say "so long", I just want to say "goodbye"

                 Sol               Lam               Sol
It's a beautiful day and I can't stop myself from smiling
          Fa                   Do
If we're drinking, then I'm buying

              Fa                 Do
'Cause if you ever think I'll take up
              Fa                Do
My time with thinking of our break-up
            Fa             Mi7               Lam   Sol
Then you've got another thing coming your way
                         Do    Sol    Lam    Sol
'Cause it's a beautiful day, mmmmhhmmmmmm

          Do
Beautiful day
     Sol                         Lam      Sol
Oh, baby, any day that you're gone away
        Sol7        Do
It's a beautiful day
