Michael Bublé - Love you anymore

```
Sol Sim7 Sol7 Do Mib6 Re6 Mim7 Lam7 Re7

Sol                                  Sim7
Just because I wander 'round the places we would go
       Sol7                                 Do
Hoping that I'd run into you one last time
Lam7                              Mim7
Just because I never took your picture off my phone
Do#m#5                                    Re7sus4 Re7
Doesn't mean that you're still on my mind

Sol                              Sim7
Just because I accidentally slipped and said your name
        Sol7                                   Do
When I hear our song, it makes me insecure
Mib6                           Re6          Mim7
Just because I know I'll never ever feel the same
Lam7             Re7            Sol
Doesn't mean I love you anymore

      Re           Sol
Am I lying to myself again
    Si6/Re#                  Do6/Mi              Sol
When I say you're not the best I've ever had?
     Sim7           Mim7
Am I lying to myself again
       La7                                 Re7    Re Do
When I say that I'm not missing you so bad?

Sol                                  Sim7
Just because I'm on my knees and swearing I would change
           Sol7                                  Do
And I'd do anything to hear you say "I'm yours"
Mib6                             Re6           Mim7
Just because I know I'll never ever feel the same
Lam7             Re7
Doesn't mean I love you anymore

Lam7           Re7       Mim7     Do#m#5
Doesn't mean I love you anymore, more
Lam7            Re7        Mim     Do#m#5
Doesn't mean I love you anymore (anymore, anymore)
Lam7            Re7      Sol
Doesn't mean I love you anymore
