Michael Bublé - Sway

```
Solm6 La7   Solm6 La7   Rem      Rem
Solm6 La7   Solm6 La7   Rem      Rem

N.C.                 Solm
When marimba rhythms start to play
Solm             Rem
Dance with me, make me sway
Rem                 Solm
Like a lazy ocean hugs the shore
La7              Rem
Hold me close, sway me more

N.C.                   Solm
Like a flower bending in the breeze
Solm            Rem
Bend with me, sway with ease
Rem                       Solm
When we dance you have a way with me
La7             Rem
Stay with me, sway with me

N.C.               Do
Other dancers may be on the floor, dear
                  Fa
But my eyes will see only you
                    La7
Only you have that magic technique
                   Sib                   La7
When we sway I go weeeeeeeeeaaaaaaaaak

N.C.                      Solm
I can hear the sounds of violins
Solm          Rem
Long before it begins
Rem                       Solm
Make me thrill as only you know how
La7               Rem          N.C.
Sway me smooth, sway me now

Solm6 La7   Solm6 La7   Rem      Rem
Solm6 La7   Solm6 La7   Rem      Rem

N.C.               Do
Other dancers may be on the floor, dear
                  Fa
But my eyes will see only you
                    La7
Only you have that magic technique

When we sway I go weeeeeeeeeaaaaaaaaak

Sway me smooth, sway me now

                      Solm
When marimba rhythms start to play
Solm             Rem
Dance with me, make me sway
